2027 Edrolo Information

Dear Parents/Guardians of 2027 Year 12 Science students,

I am writing to provide you with information about Edrolo, a compulsory VCE resource and textbook for Science students at Glenroy College in 2027.

Edrolo is a comprehensive digital learning resource for the VCE, providing our students with the best opportunity to perform to their potential throughout the year.

In 2027, the College will be using the Edrolo textbooks as well as the online resource in the following units and will cost $85 each (includes GST).
NOTE : This is a compulsory resource for these subjects.

- Yr 12 BIOLOGY : Edrolo's Biology Units 3&4 2027 Edition - digital-only textbook - $85
- Yr 12 CHEMISTRY : Edrolo's Chemistry Units 3&4 2027 Edition - digital-only textbook - $85
- Yr 12 PSYCHOLOGY : Edrolo's Psychology Units 3&4 2027 Edition - digital-only textbook - $85

Students also have the *option* to purchase a physical copy of the textbook at $51.95. This will bring the total package to $136.95 for each subject (if chosen). This will be delivered late January 2027 in time for classes.

How do I pay via the Edrolo Payment Portal for my child's access?

Payment can only be made for Edrolo via the online Edrolo Payment Portal. As your child will be using Edrolo as a key resource in the subscribed subjects, please ensure payment is made as early as possible to ensure minimal disruption to their all-important studies. Payments can be made online through your child's Edrolo account. Payment must be made by December 2026.

If payment has not been received by or prior to December, your child will be blocked from accessing all of their Edrolo courses until the balance has been paid in full (no later than February 28, 2027). Lack of payment will impact your childs ability to successfully complete their VCE subject.

Families experiencing financial difficulties should contact the General Office on 93040400 to discuss options available.
